The BOBBY DARLING

Date: Wednesday,
August 12, 2015

\$69 PP

Enjoy a great day out with what Maine is Best known for, it's lobster, combined with one of the funniest, zaniest shows of the season.

Touted as The Northeast's most hilarious musical comedy duo, Bobby Darling and Dr. Devine bring their incredible show to our Best of Times stage.

If you are a fan of the **Smother's Brothers** you will love this show. **Bobby Darling** (guitar, keyboards, vocals) is an accomplished filmmaker in addition to his musical and comedic talents. While he has enjoyed a successful career as a musician, he advises young people considering a musical career, "Stay in school! And don't marry a divorce lawyer."

Dr. Devine (vocals, violin, guitar, flute, keyboards) began his musical career as a trumpet prodigy, but

branched out to guitar, violin, and woodwinds during his teen years, ultimately obtaining a Bachelor of Music degree. His compositions and performances have been heard on Nickelodeon, PBS, and, well... the Weather Channel.

Not only are Bobby Darling and Dr. Devine two incredibly talented musicians their uncanny wit and humor will have you in stitches. Enjoy some of their greatest hits such as: Black Magic Marker, Barney Must Die, Andy Was The Sheriff, The Girl With Emphysema, I Think Alone, We Didn't Start The Diet, The Longest Line, Gumby, Route 2, Bohemian Rhapsody Polka, The Brady Bill, Mama Don't Let Your Babies..., Kennedy Girl, Gilligan's Island Blues, The Devil Went Up To Killington, In The Summertime...and more. **An Incredibly Fun Day Out for Everyone!!**

**SURFIN' SAFARI
409**

Brothers Brian, Dennis and Carl Wilson, their cousin Mike Love, and friend Al Jardine hit the charts with their first big hit and ingrained their group The Beach Boys as an American icon. The Beach Boys constructed the most intricate, gorgeous harmonies ever heard from a pop band. With Brian's studio proficiency growing by leaps and bounds during the mid-'60s, the Beach Boys also proved one of the best-produced groups of the '60s. Through the 60's the Beatles and Beach Boys battled it out on for the top of the charts. The group amassed over eighty songs that hit the music charts worldwide, thirty-six of them United States Top 40 hits (the most by an American band), four reaching number-one on the Billboard Hot 100 chart. The Beach Boys have sold in excess of 100 million records worldwide, making them one of the world's best-selling bands of all time and are listed at number 12 on the "100 Greatest Artists of All Time". Best of Times celebrates "America's Band" with the ultimate Beach Boys tribute show featuring Still Surfin'. Still Surfin' has been performing the greatest hits of the Beach Boys for over 14 years. Their performances are as true to form as the originals in concert, so much so you just might forget this is a tribute show.
